- Ever wonder just what kinds of professional complaints the Division of Real Estate receives and investigates concerning REALTORS®?
- Would you like to learn from the mistakes of your colleagues, rather than your own?
- Would you benefit from an inside look at the investigative files of the Division of Real Estate?
- Would you like to save tens of thousands of dollars in lost revenue, legal fees and fines learning what to watch out for, before encountering a problem?

You Must Attend This Extraordinary Class:

This is a rare opportunity for real estate brokers to benefit from an up close and personal look into actual case studies that will improve their professional competency.
