

Help Set the Direction of SMDRA's Future!

Director Positions for the SMDRA Board are open for 2010

Four SMDRA Board of Directors' positions are open for the 2010 election year. The nominating committee will meet in March to start the process for the 4 SMDRA directors to serve three year terms beginning October 1, 2010.

Directors serve as the governing body of the Association, establishing policy and future direction on behalf of the membership. The annual election of directors will be held electronically from May 21, 2010 and be completed on June 11, 2010 at Noon. Nominees must be REALTOR® members in good standing.
